

High Level Heritage Risk Assessment

Summary		Notes:
Number of Designated Heritage Assets:	10	<p>The proximity of both the Scheduled Monument of Doloremque Laudantium and the Grade 1 Listed Building of Lorem Ipsum House indicate that heritage issues may be a feature of any planning application for the site.</p> <p>Possible heritage issues include the settings of nearby assets and sub-surface archaeological remains on site.</p> <p>Measures potentially required by the LPA include: -Desk-Based Assessment (DBA); -Heritage Statement (HS); -Written Scheme of Investigation (WSI); -Archaeological Evaluation; and -Archaeological mitigation measures.</p> <p>Scheme design solutions may also be appropriate.</p>
Closest Designated Heritage Asset:		
125967 Lorem Ipsum House	Type: LB Grade: I 30m from site	
168189 Doloremque Laudantium	Sub-surface remains Proximal	
*Consents Potentially Required:	Scheduled Monument <input checked="" type="checkbox"/>	<p>This pro-forma assessment does not replace a Desk-Based Assessment or Heritage Statement. Always seek the advice of the appropriate LPA Historic Environment Service/Curator as early in the project cycle as possible</p>
	Listed Building <input type="checkbox"/>	
	Conservation Area <input type="checkbox"/>	

Site Name

42 Blah Road,
Whatevertown

Study Area

1km

+Heritage Issues

Possible

*Other consents may be required
 †Potential based on professional judgement. See notes.
